AFFIDAVIT OF SUPPORT

DISTRICT OF COLUMBIA, ss:

I, Geoffrey Greyke, Jr., of 400 Washington Building, Washington, D. C., being first duly sworn on oath, depose and say that I will undertake to see that Aleksai Kurguel, now of United States Resettlement Center, Wentdorf, Germany, will not become a public charge if he is successful in obtaining entrance into the United States.

I estimate my personal net worth as between \$48,000.00 to \$50,000.00 and I am a partner in the above firm, with a personal net income averaging approximately \$12,000.00 per year.

I am planning to secure employment for Mr. Kurguel with a client of mine at a salary sufficient to pay his necessary expenses so that he will not become a public charge and will guarantee to take care of any and all of his expenses until such time as he becomes self-supporting.

Geoffrey Greyke, Jr.

Subscribed and sworn to before me this _____ day of September, 1951.
